SEA FISH & RICE

Gluten-free dry food for adult dogs with sea fish and rice

Omega 3

Gluten-free recipe

Moderate energy level

Available in: **900g; 5x900g; 3kg; 3x3kg; 12.5kg**

Our gluten-free **Josera Sea Fish & Rice** for adult dogs combines nutrient-rich herring and salmon with easily digestible rice. Perfect for fish lovers: the high proportion of sea fish provides 74% animal protein and is a very good source of omega-3 fatty acids, high-quality protein and iodine. These fatty acids are good for the cardiovascular system and brain function, while iodine supports the metabolism.

Herring in particular is rich in omega-3 fatty acids. Salmon oil also provides valuable DHA and EPA fatty acids, which support the heart and brain and contribute to healthy skin and a shiny coat. The fatty acids also have an anti-inflammatory effect and play an important role in your four-legged friend's immune system. With its moderate energy content, the dry food is the perfect favourite food for normal activity dogs.

Croquette dimensions (diameter x thickness): approx. 15.0 mm x approx. 7.5 mm

- Dog food for adult dogs of all breeds and sizes
- Gluten-free, easily digestible recipe with vitamin-rich marine fish based on salmon, herring and rice
- 74% of the protein is animal protein
- Valuable salmon oil provides vital omega-3 fatty acids such as DHA and EPA.
- Promotes a beautiful skin & shiny coat
- Moderate energy content for normal activity dogs, protein/fat ratio 22/11

Feeding recommendation:

Weight	Activity / day up to 1 hour	Activity / day up to 3 hrs
5 kg	90 g	100 g
10 kg	150 g	170 g
20 kg	250 g	290 g
30 kg	335 g	390 g
40 kg	420 g	485 g
60 kg	565 g	655 g
80 kg	705 g	815 g

The recommended feeding amount is per animal per day.
The amount of food should be reduced, for example if snacks are also provided.
Please make sure your pet has fresh water at all times.

Complete feed for adult dogs.
